ILLNESS

On arrival at Oadby Pet Hotel we will check your pet for any signs of illness. Should they be deemed to be unwell in any way (runny eyes, nose, signs of skin conditions) then unfortunately they will not be able to stay.

Occasionally pets become ill despite the best care and attention. Should your pet become ill whilst at Oadby Pet Hotel then it may be necessary to visit the vet both for the sake of your pet and other people's pets.

We will care for your pet to the very best of our ability – however we cannot be held responsible or liable in any way should your pet become ill or die whilst in our care. Should it become necessary to seek veterinary attention and subsequent treatment we will try to contact you via the contact method given. If we are unable to contact you then we will be advised by the vet on what treatment should be given.

By signing the terms and conditions below you are agreeing to reimburse Oadby Pet Hotel for any vet fees incurred by your pet on your return.

A fee of £5.00 - £10.00 for transportation to the vets will be charged to cover costs.

Terms and Conditions:

I confirm that on arrival at Oadby Pet Hotel my animal is in good health and not suffering from any known condition.
